Dear Mr Ranga Rao

You may be aware of the frauds committed on the Sanitary Treasury by personating bearers of bills. The Police are working strongly to track the miscreants. There is evidence to show that the Typewriter of the Sanitary Board Office was being used for preparing these false bills & the accused persons were meeting often in that building out of office hours. From the enclosed anonymous petition it is learnt that some of them are closely connected with the Head Clerk Mr Siva Sankar Rao of the Sanitary Board Office. There are serious allegations against this official & for obvious

To

The Inspector General of Police in Mysore, Bangalore.

Sir,

It is strange to see that the person who has been fully responsible in the State Huzur Treasury Defaulcation case has been allowed to move about freely without any action being taken against him He is none other than A.Sivasankararao the head clerk of the district board office. The board office was constantly used for hatching these and various other schemes. It was the rendezous of all the accused in this case and of those who had connection in counterfit currency notes and temple properties theft case, both in the morning and in the evenings. This Sivasankararao was the important person to give instructions and guidanc in all the matters. As head clerk he was making use of the office - premises for these nefarious purposes.

The said Sivasankararao is now trying his utmost to tamper the evi dence aginst his brother Ramakrishnarao so that the case may not stand in the end. It is also learnt that he has been already spending a lot of money in this matter. In fact he is pretending as if he has not got anything to do with this. He is also attending the Office and going on tours even though his going with the officer is objectionable being a white elephant to the Government funds.

Sivasankararao was on leave for over 9 months lately. He has travelled all over Madras Presidency and major parts of Northern India He was also in Pondi for some time. Now it is quite apparent that in connection with the Counteffit currency notes he had been to all those places.

Advocate B.Manjundayya is his sister's son and S.Venkatramanayya is the son in law of the later. These have been taking the leading part in all these cases from the commencement. It is beyond doubt that this Sivasankararao had a lot to do in these matters.

It is a grand mistake on the part of the police to leave him free and if left and delayed in taking action against this Sivasankararao the police is sure to fail in their attempts to prove the case they have tactfully investigated hitherto. By such mistakes disgrace to the de partment is sure.

In the interests of the public safety and the fair name of the department this arch offender must immediately be brought to book.

The extent of ill gotton wealth could be easily seen by his dress and boots in his house by comparing with his salary and family expenses

He is also openly declaring that the police cannot shake him an inch or a hair in his head.

REV. SECTT 29

IMMEDIATE.

Dear Sir,

With reference to your letter no.L.2384/L.B.66-30-11 dated16th September 1930, I write to say, that the transfer of Mr. A. Sivasankara Rao, was ordered without consulting me in the first instance. Consequent on his relief, the work of the office here has been very much handicaped for want of an able and experienced ministerial head of the office. There are at present no one to acquaint me with the details of the work of the Board or to carry on with the routine work efficiently. The removal of an experienced hand from my office was synchronous with my assumption to office as President. The present proposal to transfer the lien of Mr.M.V Gangadhara Rao to my office without prejudice to his acting appointment in the Revenue Department, would not in any way materially help me, but fetter my hands to make my own permanent arrangements. For so long as Mr. M.V.Gangadhara Rao is in the REvenue Department I have to rest satisfied with by making acting arrangements and go on with the work in the same state of affairs, for which I am not quite aggreeable. If the Government wish that the work should go on smoothly and if they expect me to do full justice to my work, I may be given necessary help by giving the services of a good and experienced ministerial head for the office. I am entirely at a loss to know why a change was effected just when I entered the office. In these circumstances and as mere transfer of liens would

would not materially facilitate smooth working, I request you to be good enough to transfer Mr. M.V.Gangadhara Rao here immediately or retransfer Mr. A. Sivasankara Rao to Bangalore. If either of the above proposals do not commend itself to Government I may be permitted to mention that I may not be held responsible for any short comings in the working of the office. Unless the Presidents have a voice in choosing the officials for work under them, especially non-officials, I am constrained to note, they cannot be responsible for the efficient discharge of work. But if the Government think, that the transfer of liens would improve matters, I have no objection, and what I want is, the services of an experienced and efficient hand whom I choose, immediately for work.

Yours Sincerely,
V. Venkatappa
